CAPITAL CAMPAIGN

"I have dedicated this house that my name may be there forever."

2 Chronicles 7:16

Join us in celebration of our 150th Anniversary of St. John's Lutheran Church. ***Our House, Our Home, Our Community***.

In 2026, St. John's is launching our Capital Campaign for a five-year commitment to address our major property needs.

Just like our visionary leaders who built our current church home in 1964 and the addition in 1992, we are inviting all members to sustain God's house for generations to come.

Our church building, 'God's house,' is the foundation of our ministries in Kasson-Mantorville. We value having a welcoming facility for our community. Church Council has identified the order of completion of these 5 priorities for our building.

Join us in celebrating and sustaining St. John's in our 150th year!

Together We Can Make a Difference

JOIN US IN SUSTAINING

OUR HOUSE, OUR HOME, OUR COMMUNITY

St. John's is so grateful for our Properties Commission and maintenance staff. They do an excellent job of keeping our facility running well and looking good.

1

Flat Roof Replacement
$360,000

The Church Council has prioritized fixing the flat roof and fascia repairs. This repair will ensure another 25+ years of good performance.

2

ADA Compliant Bathrooms
$30,000 - $50,000

Our only current ADA compliant bathroom is the furthest from the sanctuary (at the end of the Education Wing). If all bathrooms become ADA compliant, we will provide a more welcoming and inclusive space.

3

Community Gift to local EMS
$30,000 - $50,000

We are in conversation with the Dodge County EMS Director, to learn more about the needs of our community. We plan to give a significant gift that will best serve our greater Kasson-Mantorville area.

4

Organ cleaning and repair
$100,000

In the next 5 years, our 1982 Hendrickson Organ needs a complete cleaning, tuning and repair.

5

Resurface Parking Lot
$350,000

We need to resurface our parking lot. This is prioritized last to avoid damage by construction vehicles used in other projects.
